CSE 463

2/7/18

Assignment Three

- 1) The website for Cost Plus World Market at 'www.worldmarket.com/'. specifically, the Food and Drink section of the website.
- 2) Browsing the selection can be difficult as the categories are not of uniform type. There are redundant and strangely organized categories.
- 3) Better organize and the food and drink section of the website, along with the checkout screen, so shopping is easier and more efficient.
